The Certificate Source is a wholesaler -- we can only sell to retail businesses that resell our products. Before we can quote prices, send a sample, etc., we need to verify that you qualify for this business relationship. You will need to provide your ASI, APA, or PPAI number. If you do not belong to one of these associations, we need a faxed copy of your retail sales license and a signed statement that your items are for resale, not personal use. If you are unable to meet the above requirements, let us know, and we will refer you to someone who should be able to help you meet your needs.
